

Disaster recovery plan, powered by IT Cloud Solutions.

Business Continuity : **Backup and recover complete computer systems**

BACKUPS DON'T MATTER IF YOU CAN'T RESTORE.

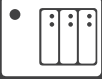

DISASTER RECOVERY PLAN WITH 100% SUPERVISION AND VERIFICATION

Recover data even virtualize for immediate business productivity recovery. Benefit from 100% proactive supervision and verification.

Disaster recovery via Replica or Cloud

3 types :
Replica
Replica R15
Replica XL

100% supervised

Starting at*
\$109.95
monthly
for 1 TB

* You need to buy a Replica - see reverse side.

FEATURES

OS
Supports a broad range of Windows operating systems, as well as Linux distributions and kernel versions.

BACKUP
Capture everything; systems, applications, configuration settings, services and data so you don't risk losing irreplaceable information, custom applications, or your operating system.

INSTANT RECOVERY VIA REPLICA OR THE CLOUD
Recover a file or a folder or restore a whole system swiftly, to the same or different hardware, and avoid downtime and its costs.

MIGRATION
Move a system to a new machine without losing uptime, and do so regardless of your hardware choice.

FIRST BACKUP
Includes first backup on external hard disk for large volumes of data.

SECURE TRANSFER
Data encryption and SSL secure transfer (256-bit encryption).

100% SUPERVISION
Online backup service featuring 100% proactive supervision and verification by our professional technicians who will contact you by phone if a problem pops up in the backup from the previous day, and solve it for you!

RECOVERY TIME
Instant full image backup recovery from Replica or the cloud.

BUSINESS PRODUCTIVITY
Keep working directly in a virtual machine, despite the loss of a workstation or server.

CANADIAN STORAGE
IT Cloud has forged a technological alliance with Centurylink through StorageCraft, located at in Markham, ON (Canada).

IT Cloud Partners can rest assured knowing that the Centurylink data center is compliant with industry standards that include SSAE 16, CSAE 3416, and ISAE 3402.

IT CLOUD SOLUTIONS : cloud service provider since 2005

Born in the cloud, IT Cloud was established in 2005 to provide Cloud backup services in the form of supervised cloud solutions for MSPs.
